

8th South African Nanoscience and Nanotechnology Summer School

MASTERS NANOSCIENCE PROGRAMME

THEME: Toward the Commercialization of Nanoscience as a driver for sustainable development

 **University of Johannesburg**

 **23 - 27 November 2026**

FOCUS AREAS:

- From Lab Bench to Global Impact
- African-Based Impact and Specific Challenges
- Bridging the Gap between Nanoscale Innovation and Market Reality
- Navigating IP, Scalability, and Green Policy in the Nano-Sector

KEY HIGHLIGHTS:

- AgricTech
- Health Technologies
- Energy Innovations
- Water Sustainability

Apply here 

REGISTRATION FEES:

- Students: R2500
- Delegates: R2500

IMPORTANT DATES

Abstract Deadline: 31 August 2026

Acceptance Notification: 15 September 2026

Registration Deadline: 15 October 2026
